

MetLife Vision ID Card

Jefferson County Board of Education

Below is your Vision Identification Card, available for the subscriber only. While you're not required to present this card to your vision provider as proof of coverage or confirm your eligibility, you may print this page and present it to your vision provider at your next appointment.

Davis Vision provides all vision providers with access to patient eligibility and benefit information online and via a dedicated vision provider toll-free number. All you need to do is notify your vision provider that you have a Davis Vision plan when scheduling an appointment.

This card is not required for service and does not guarantee benefit eligibility. It is for use by MetLife Vision members. In the event of a conflict between this information and your organization's contract with MetLife Vision, the terms of the contract will prevail.
